

The Hoot

Friday 28th February
2020

We are all back and settled into Term 4. It's been a busy start for all our children (and adults!) We are aware and vigilant of the international concerns around the Coronavirus. We have added a new tab on our website under 'News' where we will post all updated information and advice as it comes into school from the Government. We have always used hand gel in school, as part of our hygiene education and this will continue, so there is no need for children to bring in additional gel, or tissues, as these will continue to be provided in all classrooms throughout school. Our cleaning team, are aware and deep cleans will continue throughout the school on a regular basis. Be assured we are following all guidance as it comes into school.

NSPCC 'Drop your books and boogie day!' On Friday 6th March the children will be taking part in a sponsored dance event—where they will stop on

the hour every hour to dance for at least 5 minutes. The NSPCC will also be delivering age appropriate assemblies and workshops for our older children all about staying safe. It has been a couple of years since we have worked with this vital charity, we are looking forward to them working with us again.

Welcome to Miss Featherstone our new teacher in Class 3 and to Mrs Wallis our new SENDCO—We are delighted that they have joined our team.

An activity morning with The Farm Kitchen

Some of our children had a wonderful morning with The Farm Kitchen this week, learning all about where our food comes from locally and healthy eating. They took part in a cooking demonstration and enjoyed food tasting after!

Key Stage 1 children made dips and smoothies, whilst our Key stage 2 children enjoyed making and tasting chicken curry!
