

The Hoot

Friday 22nd May 2020

I can't believe we are at the end of Term 5. These bewildering times have certainly not slowed down the clocks. I hope that you will all enjoy the half term break, in whichever way you can. I cannot say how grateful we are for your continued support in all that we are doing in following the Government guidance, as it is released, to ensure a safe and progressive reopening of our school. The learning provision will remain the same for all those children at home or now able to come to school, but school life will be very different. We have created the 'Bubble' classrooms you will have heard about on the news and I have included a couple of photographs to show you what they look like. Social distancing will be maintained in all areas of school life including playtimes, and children will have their own seats at tables and learning packs of resources. I, like all of us, cannot wait for school to be back as we know and love it! I hope that time won't be too far away now. I wish you all a safe and fun filled half term.

Hello all you wonderful children, I am SO impressed with all that fabulous learning that you have been doing at home. Now it's time to put it all away and have a fun filled half term—in the safest way possible. Enjoy the sunshine, go for walks and look at the wonderful world around us. Play games, laugh lots and keep talking to your families. 'Communication' is one of the best life skills you can have—the ability to put into words your thoughts and your feelings.

You will see from the photographs school is looking very different at the moment, but I am hoping it won't be long now until we are all back together as a school community, I miss you all very much and can't wait to see your happy, smiling faces all around school again.

Keep safe and healthy ...and keep talking. Happy half term!

T. Vaygo
