

# The Hoot

Friday 29th May 2020

I hope you have all enjoyed half term. The sun has shone and it's the most bewildering thought, that everything around looks so beautiful and yet there is still an 'air of uncertainty' all around us. As time moves on, what we are able to do and how life will begin to return to some kind of normality, will hopefully become clearer. Until then, we continue to follow the Government guidance, school is now ready to begin a gradual reopening. We have 2m crosses and lines both in and out of school, to ensure a social distance is maintained. There are 2m boxes for children to be guided within their classroom bubbles and a 2m box from which the teacher can safely support any children with their learning 'from a distance'. It will be a challenge for the whole school community, but one we have carefully prepared for. All of the Senior Leadership Team (Mrs Green, Mrs Down and myself) will be in school every day from Monday 1st June— if you need to contact us and talk anything through—we are here. Until we can have a 'proper chat' at the gate one day soon, keep safe and keep healthy.

*"So much beauty we need to look after."*

Hello all you fabulous children, I hope you have enjoyed half term and made the most of playing in the beautiful sunshine. Your learning packs will begin again on Monday—whether you are doing them at home or at school, well done to all of you for the hard work you are doing. We are in our final term now—what an unusual time we are in. I am so proud of all of you and your families for how you have taken on this new and strange way of learning. Thank you.

I have a little challenge for you ... I took the photograph of the river above, when I was out on a walk one evening this week. I was thinking of you all as I took it—and wondered if you would like to have a go at painting it or even drawing it using your shading skills? I would love to see them one day soon.

Keep being wonderful. Thinking of you all.... Always.

*T. L. Vayro*
