

The Hoot

Friday 5th June 2020

I hope you are all well and the pouring rain, as I type, will not dampen spirits too much. Keep looking for those silver linings of this difficult time we still find ourselves in. School has begun to reopen gradually, there have been more children and more staff together, yet we are a long way from school as we know and love it. We have made it through our first week, everyone ... staff, children and parents have all worked hard together to keep everyone safe, with social distancing and constant hand washing. Thank you. We will continue to communicate with you as soon as we know of any further directives from Government. As I said last week, Mrs Green, Mrs Down and myself are here to answer any questions, discuss any issues or just lend an ear, should you need one. I hope the sudden change in the weather will not cause too many problems, ironic as the lockdown lifts slightly, to allow trips to open public spaces—enjoy whatever and whenever you can. Keep safe and keep well.

Thinking of you all.

Hello to all you fabulous children. It's Friday today, my first thought was it should be our Celebration Assembly today under 'normal' times—so I thought that I would send you ALL my certificate... just to let you know how proud of you I am wherever you are.

Head Teacher's Award

Presented to:

ALL of the children at Pinchbeck East C. of E. Primary

For:

... being the best version of you.
