

The Hoot

Friday 10th July 2020

We are about to step into the final full week of this academic year. What a year it has been. We have most of our staff gradually returning, it has been wonderful to see our team slowly coming back together. They are working relentlessly to make the school look and feel fabulous, ready for a September return. We are having regular meetings, discussing and implementing Government guidelines as they stand at the moment. Children will be in their classes, sitting in horseshoe shaped groups, as they are not able to face each other directly. It will feel different, but we will strive to ensure they step happily, safely and confidently back into school. I can't wait for that day—it has been a very long few months, in a much quieter, apprehensive and unfamiliar school, to the one we know and love. It won't be long now. Your child's school report will be posted to you today, please contact the school if it has not arrived by Wednesday 15th July. EYFS reports will need to be collected from the office on Monday. Also please contact us if you wish to discuss anything within the report.

Reading Together ... one of the best things in the world. On Thursday 16th July 2020 everyone in the nation is invited to take part in reading together. Choose a book ... and just enjoy it.

PLEASE can all school reading books be returned to boxes at the front of school ASAP, so that we can prepare the scheme ready for September. Thank you.

Hello to all you wonderful children. I hope you are all ok and getting ready for the summer holidays that are just around the corner. Next week will be the last week of learning at home with your learning packs, and then in September we can't wait for us all to be back together again. We are working hard to make the school look vibrant and exciting for you. There will be nothing to worry about, just be excited to be back.

I have a very simple challenge for you all. Next Thursday is Reading Together Day—see how many people in your house you can share a book with. I know some pets even like listening to a story!

Remember the ten ways to improve your reading? Tell a grown up now ...

1.Read, 2.read, 3.read, 4.read, 5.read, 6.read, 7.read, 8.read, 9.read, 10.read.
