

The Hoot

Friday 17th July 2020

This will be the final Hoot/Keeping in touch letter this academic year. What a year it has been—as I have heard so many people say, as we all welcomed in the New Year at midnight on the 31st December—could we ever have imagined what 2020 would bring? I will end my letter as I started back in March... every cloud has its silver linings. There has been such kindness and compassion shown in so many ways throughout this pandemic, communities have become closer, and have had time to really talk. Time has been given like an unexpected gift to us and there has been moments of such calm that nature has had the opportunity to breath again and our gardens have been alive with wildlife getting closer and closer to us. I have missed the children, and the buzz of our whole school community. I want to say a HUGE thank you to all of you—parents and carers, for your support, your patience and your kindness. You have done an amazing job home educating your children. At last the summer is here, so time to turn your home back into a home, whilst we turn our school back into a school as we know and love it—ready for September. I will send you a letter explaining how September will be later on today. Enjoy the summer, keep safe and well and I can't wait to see you all very soon.

Welcome

We cannot wait to meet the children and families of our new EYFS classes. They have not even been into school yet, but we will be waiting to welcome you to our school and ensure your child has a happy and confident start to their school journey.

and ... Farewell.

We would like to wish all of our wonderful Year 6 children every success as they step into secondary school. We are all so sad that we have not been able to celebrate the fabulous years they had with us. They leave us with some wonderful memories. For those parents who are also leaving us...thank you for your continued support and kindness over the years.

Hi to ALL of our fabulous children ... welcome to those children who will be joining our school and a sad farewell to those of you who will be leaving us for a new school.

What a year it has been, it was like someone pressed the 'pause button' when we weren't looking, You have all been amazing—I have loved seeing the learning that so many of you have been doing at home over the last few months—your teachers have shared everything with me, we are so proud of each and everyone of you. School will be finished next Tuesday and the summer holiday will begin. So time to enjoy, relax, and play...but keep reading!

Year 6 we have all been thinking of you and smiling over the many memories that you will leave us with, good luck—and keep being the best version of you. To children moving to another school we wish you bundles of happiness and success always. For our new EYFS children and all those we haven't seen for such a long time—we can't wait to see you all back at school very soon. Happy Summer ..

Have FUN!

"What do you want to be when you grow up?"

"Kind," said the boy
