

The Hoot

Friday 18th September 2020

We have come to the end of another busy week. We have tried the start and end of the school day for two weeks now, thank you to those parents who have given us positive and constructive feedback. As always, we welcome your comments and support during this challenging time. We are aware of social media comments and ask that your concerns are brought directly to us, to enable us to discuss them with you. We are continually concerned at the busyness of the narrow passage way, so the gate is open from 8:45am and closed at 9:00am to give you a 15 minute window in which to arrive. We are following the Government guidelines, but they only work with everyone's cooperation. We cannot enforce the wearing of masks, but strongly advise the wearing of them and we ask that you remain conscious of social distancing whilst on the school grounds. A swift farewell at the gate would ease congestion further and keep the flow of people moving along the passageway.

We all miss our Friday Celebration assembly, so the teachers will be celebrating the children's achievement and giving out a certificate in the classroom. The certificate will then be displayed each week in the classroom. We hope it won't be long before they can bring them home to you. Until such a time...

Once we have 'see-saw' up and running, we will post a photograph of the child

with their certificate for you to see. Sadly, I am unable to put the names of the children on the newsletter, due to GDPR. (That was my original plan!)

There are many things that we miss, but our 'new normal' is reflected in the laughter and resilience of the children throughout the whole school. We are so proud of each and every one of them.

Our thanks goes to Spalding High School for sharing their very useful 'Question and Answer' document which we have emailed out to you all earlier. Communication is all via email and text at this current time. We do encourage you to email your child's teacher if you need to, and any conversation that you need to have with a member of staff can be over the telephone.

We have been asked to remind you of considerate parking around the entrances and exits to the school, we need to keep our children safe and our community understanding of the challenges we are facing at this current time. Once again, thank you for your support.

Enjoy the week end ... enjoy the sunshine ... enjoy your wonderful children.
