work together"

Department for Children, Schools and Families

At Pinchbeck East School we see the partnership between the home and the school as an integral part of the education of the whole child.

Both the school and the parents have responsibilities to children. We set these out below:-

School will...

- Provide a safe, secure and stimulating environment.
- Offer a carefully planned creative and exciting curriculum matched to the needs of your child.
- Provide a positive, supportive and consistent approach to each child's school life.
- Aim to encourage kindness and consideration at all times and to all members of our community.
- Provide parents with information about new Government initiatives, the school and especially about each child's progress.
- Seek to ensure that all pupils have equal opportunities to work to their full potential.
- Provide regular homework which supports and enhances each child's learning.
- Be open and welcoming at all reasonable times and offer opportunities for parents and guardians to become involved in the daily life of the school.

As a Parent/Guardian I will...

- Having chosen Pinchbeck East for my child I/We will accept the school's overall aims and objectives and positively support the teacher's role.
- Ensure that my child attends school safely, regularly and on time.
- Inform the school office on the first day of absence, if my child is unable to attend.
- Seek early contact with the school to discuss any matters, which are concerned with my child's progress, health or happiness.
- Ensure that my child wears appropriate uniform and is properly equipped for the school day.
- Work with the school to encourage good behaviour, politeness and respect for others and their property.
- Make every effort to support my child's learning at home.
- Visit school to support my child's education.
- Encourage my child to take a pride in their learning at home and school.
