

PINCHBECK EAST PRIMARY SCHOOL
PE AND SPORT PREMIUM FUNDING EXPENDITURE STATEMENT TO
PARENTS

PE AND SPORT PREMIUM

The PE and Sport Premium is funding from the government for the academic 2017/18 to provide additional substantial primary school sport funding. This funding is going directly to primary school head teachers to spend money on improving or enhancing the quality of Physical Education and sport for all children. At present we have a good quality level of PE and sport in the school, having achieved a Gold sports mark standard for PE last year, but this funding will help develop even more opportunities for children to take part in more sport.

KEY FACTS

Pinchbeck East Primary School will spend the funding in various ways. We will pay for professional development for all teachers to improve their teaching of PE. We will provide high quality coaching from sports companies to deliver more after school clubs. There will be more variety of clubs on offer made possible by an increase in people delivering the activities. At Pinchbeck East we have always entered numerous sports competitions and this will continue and the funding will pay for this and the transport to get to the venues. There will be new resources to deliver clubs.
