Tuesday 18th September 2018

Dear Parent/Carer,

New beginnings ... we have all settled into our new academic year and are all looking forward to an exciting year ahead. We would like to share some of our new beginnings with you.

### Daily Mile

Children and staff have all now started the daily mile and we are keen to see the impact this will have on the children's fitness and energy for learning. The television have been promoting this recently, as thousands of schools all over the country are taking part in this new initiative. We are hoping to have some lines painted on the outside of the playgrounds for the children to follow a 'circuit of the playground'.

### New library

Thank you to those who attended our library opening last week – it is a huge asset to the school and the passion for reading we continually strive to develop with all of our children.

### 3G Pitch

You may have seen a lot of activity over the summer holiday. To help promote and encourage a love of sport and desire for fitness, we have our very own all weather 3G pitch, built outside the Pavilion. The children (and staff) are really enjoying this brilliant new facility. 'Watch this space' (on KS 2 playground) for some more outdoor equipment to encourage a healthy life style!

Executive Headteacher: Mr A. Raistrick

### The Outdoor Learning Area

We are thrilled with the impact on the children's enthusiasm and love of outdoor learning this has created. This will continue to be used, until the weather prevents us from using it on such a regular basis. We would like to say a huge thank you to one of our Grandfathers (Mr Vere) for volunteering to be our 'Outdoor learning area' gardener. I am sure Mr Vere would appreciate any help in maintaining the area, if anyone has a spare hour or two at any time!

### Wonderful Classrooms

The children are all settled into their new classrooms and new routines. We would like to offer you the opportunity to come and have a look at their wonderful new classrooms. On **Monday 24<sup>th</sup> September from 3:15 – 4:00pm**, the teachers will be in their classrooms for your children to bring you back into school and explore their new learning environments. The children will be dismissed as usual and hopefully bring you back into their classrooms, meet their new teacher if you have not had the opportunity to do so and they can share their learning environment with you. We look forward to seeing you then.

With many thanks for your continued support,

Mrs T L Vayro
