Wednesday 17<sup>th</sup> October 2018

Dear Parents/Carers,

We suddenly find ourselves at the end of term 1, after a busy and exciting start to our school year. Our new EYFS children are now settled and enjoying all aspects of school life. We have had several new children join us in other year groups – so a big welcome to all of them.

We were delighted to celebrate the opening of our new library within the first couple of weeks of term and that is now used on a regular basis by all the children.

If you ever walk by school during the day, you will often see our children taking part in ‘the daily mile’ and this seems to be having a positive impact on maintaining concentration and energy levels throughout the day.

Our mini police have been doing a great job so far in their new roles, keeping our school a safe place to be.

The children have all been given log ins for a fabulous on line maths programme/challenge called **ttrockstars** supporting the learning of multiplication tables – ask them all about it!

#### New outdoor gym equipment

We are all very excited that the new outdoor gym equipment is installed and ready for the children to use. The individual pieces of equipment are designed for KS2 age children. The gym will be timetabled for a specific year group to have it each day and Fridays will be a treat day for two children from each class, to have a turn as a reward for being the best version of themselves. **PLEASE** can all parents ensure that children do not go onto the equipment before or after school, as the school would not be able to accept any responsibility should an injury occur whilst on it outside of the school day.

### School uniform

We seem to be having an increased number of lost uniform not labelled. PLEASE ensure all school uniform, including coats and PE kits are clearly labelled to reduce the amount of uniform lost throughout school.
