

## FOS Committee Update

Hi All

As you will know our AGM was held a couple of weeks ago. It had come to my attention in the lead up to the meeting that a copy of our constitution was missing. This is a very important document as it establishes the fundamental rules by which we are governed and describes: -

- the aims of the group and its powers
- its membership
- the size of the committee and how members are elected
- the need for an annual general meeting and independent examination of the accounts

Based on our current elected committee we needed 24 people present at the AGM and we didn't achieve this. Therefore, the AGM has been postponed until **Tuesday 30<sup>th</sup> October @ 7pm.**

On the same day the current committee then adopted a constitution.

PLEASE can you support us and the work we do by coming along? It shouldn't be a long meeting but it has to happen for the Friends of School to continue. Once the AGM is finished we will be electing the new committee. As always at an AGM there will be refreshments available, and also the chance to win a small prize!

I look forward to seeing you on the 30<sup>th</sup>.

Sarah Holland  
Chair of Friends of School
