

At Pinchbeck East Primary School all children have the opportunity to enjoy our library club. It is held on a weekly basis and is run by three very helpful Year 5 and 6 monitors alongside Mrs Gyamfi. During our sessions children are able to spend time in our wonderful new library, looking at a wide range of books, sharing books with friends and being read to by the monitors. Our three monitors also make time to ensure our books are cared for and the library is well maintained.
