

Communication and Literacy

- Read and enjoy alien/space books as well as continuing with scheme books - Aliens love underpants, Whatever next
- Alien passport
- Letter to a spaceman
- Alien words (build our own own)
- Describe different textures of planet/moon rocks
- Sequence 'My planet' book
- Hot seating - ask questions (space man, aliens)
- Days of the week/months of year - write a diary of a trip to the moon
- What would you ask a spaceman (suggestion box)

Personal, social and emotional development

- Sun awareness
- 'Man in the moon' - John Lewis advert - feelings.
- 'This world belongs to all of us and we all have the right to enjoy life, freedom and safety.' - Amnesty International Circle times to talk about how we can all care for our world.

Maths

- Days of the week/months of year - write a diary of a trip to the moon
- Measuring time with moon dust (1 minute timer)
- Addition and subtraction - aliens on planets/planets and moons (to 10)
- Counting forwards and backwards as a countdown
- Measuring/weighing moon rocks
- Measure length of rockets and space jumps
- Count the aliens eyes (in 2's HA)
- Flying saucer song/ alien counting songs
- Estimation - how many space rocks can you fit in the rocket, how many stars in a jar.
- Make a rocket using 2D shapes (covered table with 2D shapes).
- Space centre - 3D junk modelling.
- Space shuttles (paper) - measure distance.

Term 3: 2019

Theme: Out of this World!

Physical Development

- Catch and throw a 'planet' (ball)
- Hang alien's pants on a washing line
- Continue with letter and number formation
- Baking rock cakes
- Moon walking

Understanding of the World

- What living things need to survive - plants in dark/light
- Growing in winter
- Beebots
- Explore shadows
- Moon landing - videos and discuss
- Tim Peake
- Solar system
- Using Seesaw to evidence learning
- Draw an alien on Seesaw
- Explore stars and constellation
- Alien eggs (exploring ice and colour)

Expressive arts & design

- Make rockets (kitchen roll tube)
- Junk model aliens
- Moon silhouette pictures
- Constellation art
- Design space maps for Beebots
- Listen to space sound effects
- Create space music for space images
- Listen to extracts of Gustav Holst - The Planets
- Jean Michele Jarre - Oxygen II
- Experiment with 'hot' and 'cold' colours
- Marbling - planet patterns
- Design alien pants according to what planet you're visiting
- Alien finger puppets
- Symmetrical painting of aliens
- Small world - moon surface
- Role play - flight deck
- Alien gloop (jelly, glitter, slime)
- Space collage on floor using different resources
- Baking rock cakes

Resources needed (to be added to):

Deely boppers
