Tuesday 2nd April 2019

Dear Parents,

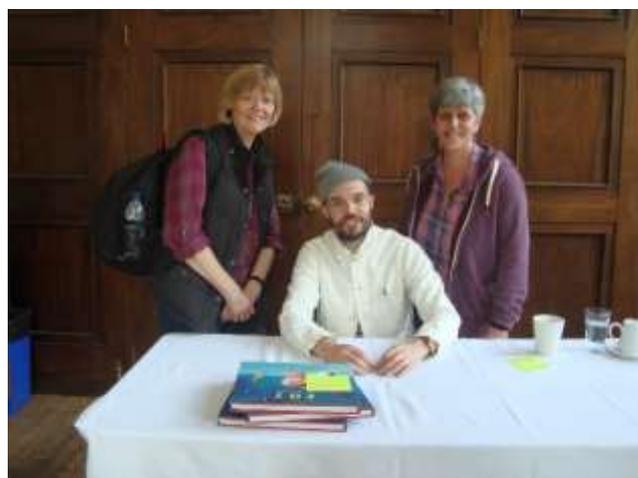

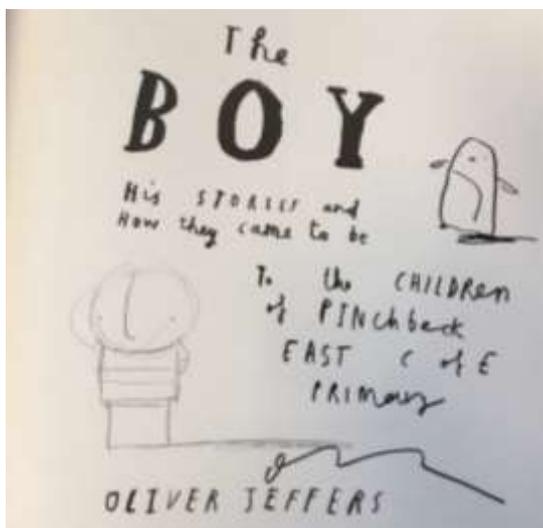

Here we are at the end of yet another term. It has been a busy and successful term, with lots of fun along the way. We were SO proud of the Young Voices choir performing in St Mary's Church last Wednesday. We all enjoyed the success of our first big community event with school and our local Church. We look forward to planning more in the future. Our Take one Picture project this term was a great opportunity for your children to share their learning with you and again we will be planning more of these 'step into the classroom' events in the near future.

Behaviour

We have been working hard at school this term to promote good, calm behaviour in and around school. The majority of the children have been brilliant and responsive to our attempts to support them in this. It begins at the very start of the day, when the children go straight into class and begin their learning calmly at 8:55am. We ask that you support us with this from the very beginning of next term and ensure that all children are in school on time, to join their peers for the calm and focussed start to the day.

Just some exciting news...

During Collective Worship yesterday, the children were told about Mrs Green and I going to Cambridge to hear one of the school's favourite children's author Oliver Jeffers speak about his new book 'The Boy'. We were fortunate enough to meet him, and tell him how popular he is with our children (and staff!). He signed his book and drew a quick sketch for the children. This book will take pride of place in our new library.
